1995 VEHICLES AUDIO ADAPTER HARNESS

APPLIED MODEL: 1995 Model Year Vehicles Except Quest

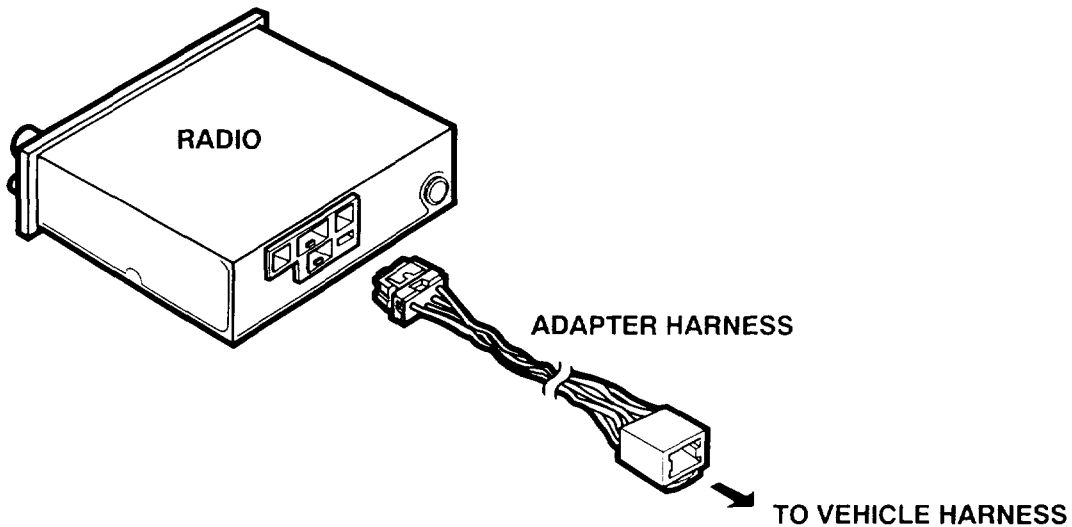

SERVICE INFORMATION

The Factory radio connector has changed for the 1995 model year vehicles. An adapter harness has been developed to connect the "NS" (New Style) Factory harness connector to a previous style radio which has an "S" (Previous Style) radio connector.

SERVICE PROCEDURE

This adapter, P/N 24028-0J300, must be used if installing a radio with a Previous Style connector into a 1995 model year or newer vehicle.
